Form 1

Regulation No 1.11 (Part III)

Register of Schedule II & III Substances

Date	Opening Balance	Quantity Received	Details of Person from Whom Received (Name & Address)	Quantity Used. Consumed. Sold. Supplied.	To Whom Sold/Supplied. (Name & Address)	Closing Balance	Remarks

Note:

1. The Register pages must be serially numbered.
2. Different parts of the register should be used for each substance.
3. Entries should be made in the register at the close of each working day and signed by the person posting the entry.
4. Column 5 should clearly indicate whether a substance was used/consumed/sold, etc. separately.
5. Relevant documents pertaining to the receipt, consumption, sale, etc. should be retained in the same premises where the register is kept.
6. The register and the connected documents shall be preserved for a period of five (5) years after the last entry.
